Micheldever CE Primary School

SPORTS PREMIUM IMPACT STATEMENT 2020-2021

Our focus is on the following three areas:

High Quality PE COMPETITION HEALTH and WELL-BEING

What is Sports Premium?
The Government announced additional funding of £150 million per annum to improve provision of physical education (PE) and sport in primary schools. This funding is provided jointly by the Departments for education, Health and Culture, Media and Sport. It is ring-fenced and therefore can only be spent on provision of PE and sport in schools.
Ofsted has strengthened its coverage of sport within the Inspectors' Handbook and supporting guidance, so that schools and inspectors are clear about how sport will be assessed in future as part of the overall provision offered by the school. Inspectors will consider:
"How well the school uses its Sports Premium to improve the quality and breadth of its PE and sporting provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of"
Specifically, the Ofsted guidance for Inspectors states that Inspectors should consider the impact of the new primary school sport funding on pupils' lifestyles and physical wellbeing.
How much does our school receive?
Each school receives £8000 plus £5 per pupil. An increase in funding from the Government to develop sport and health and wellbeing has been allocated also.
How is our PE and Sports Funding Grant spent?
The aim of the funding is to improve the quality and breadth of our PE and sporting provision and to meet these criteria we have identified a number of key priorities.

Key achievements to date	Key areas for further improvement identified for this year
Staff knowledge and skill in the teaching of PE considerably improved Opportunities for being active improved Number of pupils participating in sport inside and outside school has increased Experience of wider number of sports been provided Opportunity to attend professional sport venue and event Achievements in competitive sport improved.	Wellbeing curriculum and activities to provide healthy body and mind. Build upon the number of different sports experienced by pupils Opportunities to meet and attend professional sporting people and events. Training of staff for sustainability of an excellent sporting and wellbeing curriculum. Further develop opportunities for competitive sport Increase the number of pupils participating in sporting activities in school and out of school.
Budget 2021	**16765**
b/f balance	**960**
Total Budget	**17725**

Key Indicator – Staff training to provide quality provision and sustainable quality provision				
School focus and intended impact	Implementation	Funding allocated	Evidence of impact	Sustainability and next steps
Staff training by qualified coach in areas identified as improvement/weakness.	Coaching programme each week for each teacher in areas they identify as weaker in their knowledge and experience	£4000 (£4635 spent)	Quality of PE is good or better Staff confidence has increased and therefore the quality of PE is good or better Staff engagement in sport has been raised and staff lead by example with their classes Staff are role models for PE PE assessments show raised standards in PE	Staff able to deliver quality PE in a wide range of sports now and in the future

Staff training in wellbeing curriculum	Staff receive training for use of wellbeing techniques, strategies, practices to deliver in the classroom independently	£1000 (£240 spent)	Staff are increasingly confident with providing wellbeing and mindfulness strategies in class, as well as making use of the outdoor grounds. Pupils are becoming more resilient to cope with failure and to understand their feelings; this is also supported by the PSHE curriculum through the Jigsaw programme. This is an area for continued improvement, hindered by the lockdown across the Spring term 2021.	Staff able to deliver wellbeing curriculum independently in the future

Key Indicator – provide a diverse range of sports experience for pupils				
School focus and intended impact	Implementation	Funding allocated	Evidence of impact	Sustainability and next steps
Provide opportunities to experience new sports	Coaches deliver these sports to pupils	£1000 Carried over from 2019-2020 (£342 spent)	Through the Tokyo 360 sports programme, children and staff have experience a range of new Olympic sports (shooting, boxercise)	Staff receive training in these sports to deliver themselves in the future

Key Indicator – Pupils have a healthy body and healthy mind and achieve well				
School focus and intended impact	Implementation	Funding allocated	Evidence of impact	Sustainability and next steps
Opportunities to support positive mental health	Yoga and breathing, relaxation and other activities delivered by trained outside agencies	£4000	Children are able to think more constructively and positively. They are developing valuable mindfulness and relaxation tools and many children are better able to self-regulate their feelings and emotions. This is an area for continued improvement, hindered by the lockdown across the Spring term 2021.	Staff are trained to deliver independently in the future
Opportunities to support healthy diet	Healthy eating and diet sessions delivered by health professionals	£1000	Due to ongoing Covid restrictions, visitors to the school have been restricted and so this has taken place.	Staff are trained to deliver independently in the future
Regular movement and exercise in school	Strategies for pupils to be moving for at least 2 hours per day.	£1000	Maths on the Move and ActiveMe360 sports sessions have taken place weekly	Built into weekly timetable
Equipment for healthy playtimes and lunchtimes	Resources to support healthy, active movement	£4000	A climbing wall has been installed which has been used at break and lunch times. Further equipment that has been purchased has increased opportunities at lunch and play time.	Increased activity at lunch time and break times and children more involved in team games and sports.

Key Indicator – pupils participate in competitive sport				
School focus and intended impact	Implementation	Funding allocated	Evidence of impact	Sustainability and next steps

Opportunities provided for competitive sport across the federation and with other schools	Tag Rugby tournament Football tournament Netball tournament Cricket tournament Swimming tournament	£1000	Due to the ongoing Covid restrictions, competitive sports opportunities have not been run this year	Pupils engaged and motivated to take part in sport Inspiration leading to future involvement

Key Indicator – Opportunity to be inspired by professional sportspeople and visits to sporting events				
School focus and intended impact	Implementation	Funding allocated	Evidence of impact	Sustainability and next steps
Pupils are inspired to be healthy and play sport	Professional sportspeople come to school and present and work with pupils Visits to sporting arenas and stadiums	£2000	Due to the ongoing Covid restrictions, visitors to the school and visits to sporting venues has been restricted and so not able to take place.	Pupils engaged and motivated to take part in sport Inspiration leading to future involvement
Pupils participate in sport in school and out of school due to inspiration and experiences	From inspiration to actively creating avenues/signposts to local clubs	£1000	Club opportunities have been limited due to the COVID-19 pandemic.	Impact on health, attitude and social skills, team ethic and community

Total Expenditure		**£8650**
Remaining Budget CF		**£9074**

Meeting national curriculum requirements for swimming and water safety.	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	80% are competent swimmers
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? .	70% can swim 2 or more strokes
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	50%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity **over and above** the national curriculum requirements. Have you used it in this way?	No – we have not been able to get to the swimming pool this year due to COVID-19, we plan to address this next year.
